From Hon. Ross WILKINS, United States District Judge for the District of Michigan.

Mr. Edward Bingham. Detroit, Oct. 30, 1841. Dear Sir-With great pleasure I state the fact of the complete and radical cure of the Fever and Ague with which my son William was attacked, by the use, pursuant to directions, of Dr. Osgood's India Cholagogue. He had as severe an attack as I ever witnessed, and I apprehended a long winter of this disease, which was some years ago the case when I resided at Tecumsch. But I was providentially led to notice your advertisement in relation to this medicine-determined to try it, and the use of one bottle broke the disease, and I am confident has effected a radical cure, as two months have now elapsed without a return of it, and my son is in the enjoyment of robust health. It is an invaluable medicine and ROSS WILKINS. should be generally known.
